fans

Version: 4.0  
Feb 10

The Ultraframe fan range offers the choice of six stylish fan designs. The fans are supplied complete with lights and the option of a remote control. A choice of blade colours ensures all tastes are catered for, while the 2 year standard warranty provides additional peace of mind.

The Ultraframe fan range is a worthy addition to any conservatory.

### Fan Range Key Facts:

- 3 speed settings - to suit your needs whatever the weather
- Optional remote control
- Light timer - energy efficient
- Summer/Winter settings
- 2 year standard warranty - for your peace of mind
- Reversible blades - offers more options

\* All fans have Summer & Winter settings

The Summer setting creates a cooler atmosphere by pulling warm stale air upwards whilst the Winter setting acts in reverse by re-insulating warm air gathered at the apex of the roof

Remote Control  
FRCA001
